Re: NPDES Permit No. DE0000736  
DMR/QA Study No. 27 Participation And Instructions

Dear Ms. Sise:

This is just a friendly reminder that the U.S. EPA has mailed out the NPDES, DMR/QA Study No. 27 announcement letter and packet of information. Your facility has been chosen to participate in this study, and you should have received this information. If you have not received this announcement letter and packet, please call me at 302-739-9946 or email me at [glenn.davis@state.de.us](mailto:glenn.davis@state.de.us).

For the Chemical and Microbiological Tests, you are responsible to analyze only those analytes that are both in your NPDES Permit and listed in this Study No. 27. For the WET tests, you are responsible only for the test organisms that are both in your NPDES Permit and listed in this Study No. 27. Remember, the WET testing is required even if the test conditions in your permit do not exactly match those in Study 27. Refer to pages 7 & 8 of the DMR/QA Study 27 packet.

You are responsible for any and all analytes listed on your individual NPDES Permit and also listed on the DMR/QA Study 27, Chemistry/Microbiology/Analyte Checklist on Page 9 of the Study 27 packet; use this checklist to determine all of the analytes that you will need to analyze or have analyzed by your normal contract lab. Any parameters that are routinely analyzed "in-house" for NPDES monitoring must be analyzed "in-house" for this DMR/QA Study No. 27. Any parameters that are routinely analyzed by a "contract lab" for NPDES monitoring must be analyzed by that "contract lab" for this DMR/QA Study No. 27.

Please reference the Checklist and Schedule for DMR-QA Study No. 27 as shown on Page 5 of your Study No. 27 packet of information. By August 31, 2007, you must submit the original data package to this office, with signed copies to your individual "Providers."

I would like to thank you for your cooperation and your participation in this national program to assure the quality of NPDES self-reporting data. If you have any questions, please call me at 302-739-9946 or email me at [glenn.davis@state.de.us](mailto:glenn.davis@state.de.us).

Sincerely,

Glenn F. Davis
