York, ME 03909

RE: Hancor, Inc. EnvorChamber Pro Standard and EnviroChamber Pro ARC Standard Model Chambers

Dear Mr. Bachelder:

The Division of Water Resources has received and reviewed your request that the BioDiffuser 11" Standard and ARC 36 model chambers be approved for use in Delaware under a new name – EnvorChamber Pro. The Division has no objections to this request as all of the product's critical features will remain exactly the same as those of the corresponding BioDiffuser Chamber Unit which has been approved for use in the State of Delaware.

If you have any questions please feel free to contact me (302) 739-9948.

Sincerely,

Dave J. Schepens
Program Manager II
