RE: Approval of Infiltrator TW-series tanks, Models TW-1050, TW-1250 & TW-1500 for use as septic tanks
Approval of Infiltrator TW-series tank, Model TW-900 for use as a dosing chamber.

Dear Mr. Brown,

The Division of Water Resources has received and reviewed your request to approve Infiltrator System's new TW line of polyethylene septic tanks and dosing chambers. We are pleased to inform you that we are able to **approve** the septic tanks/dosing chamber referenced above, provided that they are installed in accordance with the manufacturer's guidelines and specific permit conditions.

If you have any other questions please contact me at 856-4561.

Sincerely,

A handwritten signature in black ink, appearing to read "James Cassidy".

James Cassidy
