

The DNREC, Office of the Secretary, Financial Assistance Branch (FAB) will host two Workshops in preparation for the second Clean Water State Revolving Fund (CWSRF) FY 2011 Project Priority List (PPL) Process. The purpose of the Workshops is to inform and provide municipal government representatives, privately owned wastewater utilities, consultant engineers, and other interested parties with a detailed overview of the Delaware Water Pollution Control Revolving Fund (WPCRF), also referred to as the CWSRF program. Notices-of-Intent (NOI) for wastewater, stormwater, and related infrastructure projects will be solicited starting July 25th and due by August 31st to prepare the Revised FY 2011 CWSRF PPL. Projects must be listed on the CWSRF PPL to be considered for funding through the CWSRF program. Please see the attachment for additional Workshop Information.
