### Declaration

I understand and agree that:

- 1) the information provided on this form is true and correct to the best of my knowledge
- 2) the above described system is intended to offset part or all of the applicants electricity needs at the installation site
- 3) the site of installation is located in the utility service territory as described on page 1 of the application
- 4) the State of Delaware and its agents provide no warranty for this system
- 5) all warranties are provided by the installing contractor and shown on the final invoice as 5 years parts and labor
- 6) the applicant has received a copy of this completed form
- 7) completed grants may be queued pending availability of funding
